

## Desert Bird 6x2 Table Runner for 10"x10" Panels

Finished Dimensions: 71"x25". Sample uses "Tierra Madre" as blender.

**Materials:** Panel set and 2 3/4 yards of blender for top and back. (3/4 for top only.)

**Top assembly instructions:** 1/4" seam allowance

1. Cut 6 strips @ 2.5" x 10". Assemble 6 top/bottom panel pairs with 10" horizontal strips between. Trim if necessary.
2. Cut 7 strips @ 2.5" x 23". Assemble pairs into a single panel with a 23" vertical strip on each side of illustrated pair. Trim.
3. Cut 2 strips @ 2.5" x 73". Add top and bottom strips to assembly. (*Note: if you are cutting the strips from 3/4 yard, you will need to piece strips together to create the 73" long strip.*) Trim.

**Cut Instructions:** Top and Back from 3 yards of fabric:
